Apartment Marseille

For sale in a 1970s building, a 1-room apartment of 26 m² with a terrace overlooking the "Sea," needing renovation on the 7th floor with elevator! Very well located in downtown Marseille (2nd arrondissement), just steps from all amenities and shops, near the port terraces and highway access. It offers great rental potential or could also be a good first primary residence purchase or pied-à-terre. Sold with a cellar

Fees and charges :

Document non contractuel
