Apartment 1211 Villefranche-sur-Mer

Magnificent 4 room apartment of 170m² in the heart of the old town of Villefranche sur mer. You could not be closer to the restaurants and the Place Amelie Pollonais, the heart of the port of Villefranche. The apartment located in a typical Provencal building with the colorful facades of the old town. You will be on rue du Poilu which is the main artery of this district. This large, well-appointed and tastefully renovated Provencal-style four-room apartment offers a kitchen equipped with fridge / freezer, hob, oven, washing machine, dishwasher and a large dining table. Facing the sea you will find this large living room with sofa, television corner and access to a balcony with panoramic views of the bay of Villefranche. The apartment has a first air-conditioned bedroom with two single beds and storage cupboard. The master bedroom facing the sea has a large double bed, storage cupboard then shower room with toilet. A second bedroom at the rear of the apartment also has a double bed followed by a shower room with toilet and bidet. The apartment also has a third bathroom facing the sea with a bathtub and vanity unit. The apartment has air conditioning in all rooms. "The agency's opinion": Take advantage of being in this atypical district to stroll through the winding alleys and admire the arches in the narrow passages. The traders are at your disposal to offer you regional and Provencal products. The large Marinières beach with its crystal clear water is just 500 meters away on foot. Enjoy the best restaurants like Mère Germaine just below the apartment. Contact depending on the stay and duration.
