Apartment 1947 Saint-Tropez

Beautiful new apartment located on the second and third floor of a Saint-Tropez fisherman' house, first line on the seafront. The apartment, spread over two floors, proposes two en-suite bedrooms, a crossing living/dining room with an equipped American kitchen, opening onto two magnificent terraces, one with a panoramic view of the Saint-Tropez gulf and the mythical Ponche beach, another with a view of the Old Citadel and the sea. Air conditioning, TV, security box and Wi-Fi are available. The ideal location for an immersion in the authenticity of Saint-Tropez, the apartment is located in a quiet, tree-lined lane, in the immediate vicinity of the port. No private parking place available.
