Property Maussane-les-Alpilles

STYLES presents an exceptional property in a dream setting. In a prestigious setting in the heart of the Alpilles Regional Natural Park, where cypress trees dance in the wind and sun-baked stones tell the story of centuries of life, this authentic building has stood as a silent witness since the 17th century. This place, steeped in history and authenticity, embodies Provençal elegance in its noblest form. Enhanced by an exceptional renovation, this characterful Mas of approximately 1,300 m² of living space has regained its former splendor while being enriched with contemporary comfort and refinement. Here, the vaulted ceilings, stone floors, large bay windows and high-end materials create a perfect symphony between heritage and modernity. The Mas is surrounded by more than 7.5 hectares of enchanting landscape, where nature seems to have been sculpted with passion: nearly 4 hectares of PDO olive trees (three varieties for 1,400 trees), a hundred-year-old plane tree, a natural spring, fig trees with generous fruit... A living, vibrant setting, imbued with the Provençal soul. Maussane-les-Alpilles, a charming village near Saint-Rémy-de-Provence, Eygalières, and Les Baux-de-Provence, is one of the jewels of this region. Life here is to the rhythm of colorful markets, traditional festivals, games of pétanque under the plane trees and summer days lulled by the song of cicadas. The art of living here is a daily celebration: that of taste, of the land, of human connection and of time which

in a green corner, the swimming pool invites you to suspend time, to let yourself be enveloped by the warmth of the South and the beauty of the setting. This property, brimming with pure charm, is more than just a real estate investment. It's a piece of Provençal history, a way of life in its own right, an unparalleled sensory experience, perfect for giving as a gift or passing on. Certainly one of the rarest and most coveted addresses in the Alpilles, where nature, authenticity and luxury come

together gracefully.
