## Castle Uzès

The perfect location for this magnificent Château just outside Uzès. Behind its elegant, typically 18th-century façade, you will discover its long history... The entrance to the Château is through a heavy wrought iron gate leading to the main courtyard, while the beautiful, romantic parkland promises pleasant moments on the lawns, under the trees or by the pool. On the edge of the park, a very large outbuilding adds a further built area to be converted to suit your needs. Partly restored, the Château retains some remarkable architectural features. This château is one of the jewels in the crown of Uzège's heritage, a confidential location that is nevertheless close to everything. Ideal as a family home, luxury hotel or other activity thanks to the vast outbuildings. Unique address, a rare property, file on request...
