House Lorgues

LORGUES Charming property within walking distance of the center of Lorgues, set on a 1,126m² plot filled with olive trees and offering unobstructed views. The land is also suitable for a swimming pool! The house is a solid construction from the 1980s, with all the living areas on one level, comprising an entrance, a spacious living room, a separate kitchen, a bathroom with both a shower and bathtub, a separate toilet, two bedrooms, a pantry/laundry room, and an attached garage. The basement includes two rooms, one of which is the boiler room, plus a large storage area. A property with generous spaces, fully equipped, very well located, and full of potential, but in need of updating to achieve a more contemporary style. A rare opportunity, not to be missed!
