House 401 Porto-Vecchio

In a quiet little hamlet near Porto-Vecchio, along the road to the Palombaggia beaches, within walking distance of Carrataggio beach (about a 1.5 km trail), a small traditional 2-bedroom house, in need of renovation. A lovely opportunity awaits with this property offering open views and a south/west exposure. The sloping land is mainly covered with olive trees and maquis, which keeps the area to maintain quite manageable. A garage of approximately 22 m² and a cellar of 18 m² complete the living space. Porto-Vecchio town center is 15 minutes away, with a preserved and exclusive environment – a rare opportunity! Information about the risks to which this property is exposed is available on the Géorisques website: www.georisques.gouv.fr
