Document non contractuel

House 4155TI Tonneins

Ideally located just a few steps from Germillac Middle School and a 3-minute walk from both the town center and the train station, this impeccably maintained 1965 house is ready to welcome you. Flooded with natural light, it opens onto a spacious entrance leading to a 36.5 m² living and dining room. You'll find the charm of an open fireplace here, along with direct access to a pleasant covered terrace, perfect for enjoying warm days. The heart of the home features a central hallway equipped with a pellet stove, which can heat the entire house while delivering significant energy savings. This area also connects to a fully equipped separate kitchen, extended by a bright veranda that can serve as a utility room or a summer dining area. The sleeping area offers two generous bedrooms (11.5 m² and 19 m²), a study ideal for remote work or a third bedroom, as well as a full bathroom with both a shower and a bathtub, not to mention a separate toilet. For storage, you'll benefit from a 17 m² cellar located beneath the veranda and an additional garden shed on the property. The whole sits on a fenced and beautifully landscaped 464 m² plot, with private parking right in front of the house. Among the features: central heating powered by town gas, pellet stove, PVC double-glazed windows, single-story layout, a well-maintained roof, and the house is connected to the main sewer system.
