Energy class (dpe) : D

Emission of greenhouse gases (ges) : D

Document non contractuel

Contemporary house 5068 Castelnau-le-Lez

1970s Architect-Designed Villa with Renovation and/or Extension Project. Located on the heights of Castelnau-le-Lez, at the end of a quiet dead-end street, in a peaceful setting, with a south-facing elevated position, Bochu Immobilier presents this villa featuring the typical architecture of the 1970s: set on a wooded plot of 900 m² with a swimming pool (currently not functional), offering a single-story living area of 110 m². Several options available: renovation of the existing structure +/- single-story extension +/- vertical extension depending on the building permit, which has been obtained and cleared of all appeals (post-renovation surface approx. 220 m² with stunning views of Pic Saint Loup from the upper floor). Non-contractual photos of the renovation project without the vertical extension.
