For Sale – Detached 3-Room House with Panoramic View – Gréasque 13850

Nestled in one of the quietest and most sought-after neighborhoods of Gréasque, this detached 3-room house of 65 m² enjoys an exceptional location. Perched on a hill, it offers a unique and unobstructed panoramic view of Sainte-Victoire and Mont Aurélien, a rare and privileged setting. Built on a beautiful wooded plot of approximately 650 m², the property features a swimming pool, perfect for fully enjoying the warm days, and a full basement providing additional storage or conversion possibilities. The house currently consists of a living room, an open kitchen, two bedrooms, and a bathroom. Although significant renovation work is required, this property represents a genuine opportunity for buyers looking to create a home that reflects their style. Another major advantage: the favorable urban planning regulations, allowing for an extension and thus an interesting enhancement of the existing potential. A rare find on the market, combining a peaceful living environment, exceptional views, and strong potential for development.
