The house opens onto an entrance hall that leads to the main sleeping area, featuring a master suite with bedroom, walk-in closet, and bathroom with toilet, as well as a pantry/laundry room with storage space. The heart of the home centers around the living area. The dining room connects directly to the kitchen on one side, and to a bright living room on the other, equipped with a large double glazed door providing access to a fitted south-facing terrace. A hallway leads to the secondary sleeping area, consisting of two additional bedrooms—one with access to a covered terrace—and an independent bathroom with toilet.
