House 422 Porto-Vecchio

Within walking distance of the schools and shops at 4 Chemins in Porto-Vecchio, a small house at the end of a quiet dead-end street, with no overlooking neighbors, perfect for year-round living. On the ground floor, an entrance hall leads to an independent kitchen, a living room opening onto a pleasant garden facing southwest, one bedroom, a separate toilet, and a shower room. Upstairs, two bedrooms and a second bathroom with toilet. A garage connected to the house, a small garden shed, and a separate carport complete the features of this very practical town house. Some minor cosmetic updates are needed to make it your own—great potential! Information on the risks this property faces is available on the Géorisques website: www.georisques.gouv.fr
