House 2119 Saint-Pantaléon-de-Larche

ASSURED CRUSH. Lots of charm with these exposed beams and stone throughout the house as well as stained glass windows. On the first level, it offers you a living room opening onto a fitted kitchen. A bedroom and a bathroom with toilet. On the second level, you will find two beautiful and spacious attic bedrooms, one of which has an adjoining office. But also a shower room with toilet. On the ground floor, it will surprise you with a large room and a very beautiful wood stove, overlooking the outside of the house. But also a room that can be used as an office, as well as a large laundry room, with water point. Possibility of making an apartment there. Outside the house there is a stone shed, as well as a barn with a workshop. A small plot of land with a well. A plot of land in front of the house with the possibility of making a vegetable garden. Quiet house, 5 minutes from nearby areas (school, bakery, grocery store, post office). 10 minutes from Brive-la-Gaillarde.
