House 3999ti Tonneins

Discover this traditionally built house located in a quiet and sought-after area, it offers a comfortable and ecological living environment thanks to its modern facilities. On the ground floor, you will find a spacious living room, bathed in light, where a pellet stove enhances the room and gives a warm atmosphere. Adjoining it, an open kitchen, fully equipped. A storeroom-laundry room with mezzanine and a toilet complete the ground floor. Upstairs, a landing leads to three bright bedrooms and a bathroom, equipped with a bathtub and a shower + a WC. Outside, the house has a 25m² independent garage for a vehicle or for storage. You can also enjoy an enclosed plot of 503 m², a real asset for organizing your meals outdoors, installing a garden or a play area for children. The amenities are another strong point of the house, with a solar water heater and photovoltaic panels that will allow you to save energy while respecting the environment.
