House 4038 Uzès

A townhouse close to the historic center of Uzès, in a quiet area, with its adjoining land. Great potential for this single-story house located just steps from the Place aux Herbes and its shops. It features an entrance leading to a bright living room (formerly a living room and bedroom), then a pantry and a garage with its mezzanine. It also offers an open kitchen opening onto a terrace and garden, as well as the sleeping area: two bedrooms, a bathroom, a shower room, and a toilet. Perfect for enjoying the tranquility of Uzès, with the city center within walking distance—a functional property with potential. Renovation/work required. Extremely rare to find something this close to the heart of our magnificent duchy.
