House 3717TI Gontaud-de-Nogaret

Built on a plot of approximately 4850m² in 1974, this traditionally built house is located in a quiet environment with an unobstructed view of the countryside where you can breathe tranquility with less vis-à-vis. Pushed the door, you enter a large entrance hall with cupboard serving an office with cupboard, a bright living-dining room of more than 55m² with access to a large tiled terrace with a southern exposure. The visit continues with a separate and equipped kitchen opening onto a veranda, a hallway allowing access to four bedrooms, two of which have fitted wardrobes, a mixed bathroom (shower cubicle + bath), a WC, access to the attic and one to the basement. The basement includes the entire part of the ground floor, approximately 155m² with a garage, boiler room and storage space. The house is accessible by two separate entrances, a large outdoor car park and a garden area complete this property. Wooden joinery, individual sanitation, oil heating, fireplace...
