Emission of greenhouse gases (ges) : C

Document non contractuel

House 608s Noves

Just 10 minutes from Saint-Rémy-de-Provence, in a charming, typically Provençal village nestled in the heart of a pine forest, this rare property offers a peaceful and authentic living environment. 20 minutes from Avignon TGV station and just 6 km from the Avignon Sud (A7) motorway exit, the location is as convenient as it is privileged. In a dominant position, this property combines character, serenity and the art of living. From the entrance, the charm operates: a large bay window opens onto the surrounding nature, the traditional kitchen open to the dining room and the living room, fits perfectly into this warm ensemble, highlighted by vaulted plaster ceilings, French ceilings and noble materials typical of the region. Each room benefits from natural light, with varied orientations and magnificent unobstructed views of the vegetation. Outside, the meticulously maintained landscaped garden unfolds like a living picture. Shaded nooks provide freshness and privacy, while the sunny pool blends harmoniously into the lush greenery. A vast terrace and summer kitchen complete this idyllic living space, inviting you to fully enjoy the sunny days of Provence. An exceptional property for lovers of nature, authenticity and tranquility.
