Stone house 405 A Saint-Rémy-de-Provence

Perfect Location, You Can't Find Better! Located on the southern slope of Saint-Rémy-de-Provence, in a highly sought-after area, this charming stone house enjoys an exceptional setting: within walking distance to the village center and right at the starting point for walks in the Alpilles. The 180° view over the olive groves and the Alpilles is absolutely unbeatable. Offered for sale by L'Agence de Saint-Rémy, specialists in charming properties and luxury estates in Provence, this approximately 330 m² living space gracefully combines Provençal architecture with top-of-the-line, contemporary finishes. From the entrance, a spacious hall with a cloakroom welcomes visitors and opens onto a cathedral-style living room flooded with light, featuring exposed vintage beams and a double-sided fireplace warming both the lounge and the kitchen-dining area. Noble materials—stone, wood, natural plaster—give the home an authentic and refined atmosphere, typical of Provençal charm houses. The fully equipped kitchen opens onto a large covered terrace facing due south, overlooking the new pool and the spectacular view of the Alpilles. The ground floor houses three large suites, each with its own private bathroom and carefully designed interiors. Upstairs is the master suite, suspended above the olive fields, with an exceptional view, a spacious bathroom, and a dressing room. Two additional rooms offer the possibility to create a gym, an office, or a guest area, while a large garage completes the property. The enclosed
