Attention gem!! If you're looking for a recent, single-story home in a quiet yet not isolated area, this 115 m² house with a private pool on 1800 m² of land is made for you!!! On the ground floor, you'll find a spacious living area of 51.68 m², featuring an open-plan living room and kitchen, creating a bright and welcoming space. An adjoining pantry completes this area. A hallway leads to three bedrooms, one of which has a built-in closet, as well as a bathroom with both a bathtub and shower, and separate toilets. The full basement of 106 m² is a real asset: it includes a fourth bedroom with the possibility to add a shower room (hot and cold water connections ready). Outside, you can enjoy a 4x8 meter chlorine pool, perfect for sunny days. The property is entirely fenced (fence needs some maintenance). Double-glazed windows throughout, electric roller shutters, a micro-sewage treatment plant, and a chimney flue ready for a stove installation.
