House 3701 Uzès

Just 10 minutes from Uzès, this recently built, air-conditioned house offers 143 m² of living space, comprising a first summer living room opening onto the terrace and swimming pool, with a panoramic view over the countryside. Next, a few steps lead up to a very pleasant living room with fitted kitchen (+ pantry), opening onto a terrace and garden area. On the same level, the master suite, also overlooking the garden, has a fitted dressing room and a shower room with wc. Upstairs, the children's area comprises three bedrooms and a bathroom with wc. Once again, there are lovely uninterrupted views over the countryside. Finally, the villa has a vast 80 m² garage with a cellar and storage space: it is connected to the living area by a private lift. Quality fixtures and fittings, contemporary living spaces - this is a house that's easy to live in.
