House 4020 Uzès

In a peaceful residential neighborhood of a highly sought-after village, just minutes from the historic center of Uzès, this recently renovated single-story villa elegantly blends modern comfort with Provençal charm. Conveniently located within walking distance of the village grocery store, a local restaurant, and the primary school, the house offers a practical and authentic living environment — perfect as a main residence or a holiday home. From the moment you step inside, you'll be captivated by a spacious living area flooded with natural light, where clean lines and warm materials create a welcoming atmosphere. The open layout features a modern kitchen with a central island, a cozy dining area, and a wood stove to warm cooler evenings. The house offers three comfortable bedrooms, including one with its own shower, a carefully designed family bathroom, and a separate guest toilet. Outside, Mediterranean living can be enjoyed across several terraces, some sunny, others shaded — ideal for al fresco dining, relaxing moments, or simply soaking up the day's rhythm. The garden hosts a beautiful swimming pool, next to which stands an independent 30 m² guesthouse, perfect for hosting family and friends or generating rental income. The garden itself has been thoughtfully landscaped with Mediterranean plants, providing a natural and elegant setting while remaining easy to maintain. There is also a large parking area discreetly

located at the back of the property.
