Emission of greenhouse gases (ges) : G  
Document non contractuel

## House 2762 Villefranche-du-Queyran

"A character-filled property offering great potential and complete freedom for any project" Ideally located in the heart of Villefranche-du-Queyran, close to Casteljaloux and Tonneins, this charming house impresses with its generous spaces, authentic charm, and numerous possibilities for customization. Upon entering, a spacious hall sets the tone and seamlessly connects the living areas. The ground floor features a bright living room, an elegant lounge, and a dining room extending from it, adjacent to a fully equipped separate kitchen with direct access to the terrace—perfect for social gatherings. Upstairs, a central landing leads to four large bedrooms, including one with a private shower room. A shared bathroom, a communal dressing room, and a separate toilet complete the sleeping area. The house also includes a large 70 m<sup>2</sup> garage, a 27 m<sup>2</sup> boiler room, and a usable attic. All of this is set on a 1,235 m<sup>2</sup> plot, featuring two independent, enclosed gardens and a terrace. Renovation work is needed (carpentry, electrical system, oil heating, modern updates). However, the roof and façades are in very good condition, providing a solid foundation for any refurbishment project.
