Mas 3929 Eygalières

STYLES introduces you to Eygalières, a real gem for lovers of charm and authenticity. With its traditional 18th-century farmhouse, you'll be seduced by the cachet of the old materials, the idyllic location and the panoramic view of the Alpilles: an exceptional living environment in this unique and sought-after village. The generous volumes, reception areas and five bedrooms, two of which are en suite, make this both a family home and an ideal place for entertaining guests. The addition of a separate bedroom with shower room provides even greater flexibility. The landscaped grounds of around one hectare have been beautifully planted with trees, providing a peaceful, typically Provencal atmosphere. Horse-riding facilities and the possibility of adding a swimming pool are further assets that will delight horse-riding enthusiasts or those in search of outdoor leisure activities. A property full of character, combining elegance and nature, located just a few minutes from the center of Eygalières.
