Stone house 600 Ollières

SAINT MAXIMIN LA SAINTE BAUME, LUXURY PROPERTY NEAR Aix-en-Provence If you also appreciate the authentic charm of stone houses, come and discover this exceptional historic property. We would be delighted to tell you about the count who once proudly owned it! The three hundred and twenty square meters of living space feature terracotta floors, arched windows, and exposed beams that highlight this 18th-century bastide, formerly a tile factory. From the moment you enter, the high ceilings and wrought iron railings and door set the tone. You'll find a cozy living room with custom solid wood bookshelves and a fireplace. Continuing the tour, a vast, bright living area awaits, connecting to a family kitchen with a fireplace, granite countertops, a Provençal stone sink from Cassis, and an extra-large range cooker, adjoining a pantry and laundry room. On this level, there is also a shower room and a separate toilet. Upstairs, four spacious bedrooms, a bathroom, a toilet, and a dressing room. The estate also includes a fully renovated one-bedroom apartment with independent access, as well as a 15 m² commercial space (with mezzanine and cellars) that can be accessed directly from the road! The current owners, who love this home, have carried out many improvements to enhance comfort while preserving the features that initially captivated them: solar panels, ducted heating, insulation, and the façade (part of which was partially stripped back to reveal the stone beneath). Set on a 2 hectare plot offering numerous

the property is large and well-maintained, with numerous terraces and a large lawn. The house is surrounded by mature trees and shrubs that brighten the exterior. The interior is spacious and comfortable, with high ceilings and large windows that let in plenty of natural light. There are several terraces and a large lawn, perfect for outdoor entertaining. The property is located in a quiet, residential area, making it a great place to live. There is plenty of parking available, and the house is easily accessible by car. Overall, this is a beautiful and well-kept property that would be a great addition to any home.
