House T25083 Saint-Maximin-la-Sainte-Baume

In a green setting in Saint-Maximin, a vast 144 m² residence is spread over a 3,494 m² plot. On the ground floor, the living room opens onto the terrace, while the independent kitchen waits to become the center of a lively home. The calm of the 5 bedrooms, one of which is upstairs with a private balcony, invites you to dream and spend some time alone. Around it, a garage, workshops and a wooden chalet mark the poetry of a place to be invented, punctuated by a semi-buried swimming pool with rustic charm. Let yourself be seduced by this invitation to travel and come visit this house.
