Mas 3947 Saint-Rémy-de-Provence

In the heart of the sunny lands of Provence, between the Alpilles and the Montagne, a rare address quietly reveals itself. A timeless place, preserved, authentic... where every stone whispers the charm of centuries past. An exceptional Provençal farmhouse, thoughtfully and passionately redesigned, just 20 minutes from Avignon TGV, set in an utterly serene natural environment. Here, luxury is expressed gently: generous spaces, noble materials, high-end comfort, and a unique atmosphere that is warm and genuine. Nestled within a natural setting of one hectare, everything is designed to savor the moment, with family or friends. Discover large, bright living areas as well as 6 cozy bedrooms. Outside, several terraces, a heated pool with a beautiful pool house and its summer kitchen... not to mention the pétanque court. Beneath the shade of a centennial plane tree, life slows down, silence soothes, and Provence reveals itself in its truest, deepest, most precious form. A confidential property for lovers of rare places. File available upon request only.
