Villa 148 Eygalières

Here's a charming house for a family holiday! At the foot of the Alpilles, in the pretty village of Eygalières, this 147 m² house features a large, light-filled living room with comfortable sofas, a recessed round table for games or work, and a dining room with a large table. The kitchen, which opens onto the living room, is perfectly laid out and has a separate utility room with stone sink, washing machine and tumble dryer, and access to the south-facing terrace with tables and chairs. Also on the ground floor, a bedroom (140 cm bed) with en suite shower room (walk-in shower, washbasin and toilet), a bedroom (160 cm bed) with wardrobe, a shower room (walk-in shower, double washbasin), a washroom and large wardrobes. Upstairs, 2 large bedrooms (160 cm beds), a family shower room (walk-in shower and double washbasin) and a washroom. Air conditioning in the entrance hall keeps the ground floor cool, and fans are available upstairs. On the south-facing terrace, partly shaded by a trellis covered with vegetation, you can enjoy lunch or dinner, overlooking the swimming pool and the Mediterranean garden. The 8 x 4 m swimming pool is secured by an automatic cover and has a seat with massage jets. Under the covered terrace, garden sofas and close by, a shower room and a washroom. Automatic gate at the entrance of the property, sheltered car park with plug for electric or hybrid cars (charge to be paid for on departure according to meter), barbecue with table and chairs, fountain and potting court complete the
