Mas 1162 Ménerbes

This superb Provençal Mas welcomes you for a peaceful holiday in the heart of the golden triangle of the Luberon. You will find on the ground floor of this property a room made up of a living room and a dining room offering a very pleasant living space thanks to its space and brightness and an independent and fully equipped kitchen. The first floor offers four beautiful bedrooms, two of which are master suites and a bathroom. Provençal ceiling, tiles, stone wall, combined into a decoration typical of the region. This building presents a good level of service and a sober and refined atmosphere. On the garden side, you will be totally won over by the different landscaped spaces. A 3-hectare exterior decorated with a pretty raised pond, out of sight, for real moments of relaxation and lazing around to the songs of the cicadas!
