Mas 103 Saint-Rémy-de-Provence

Within walking distance of the centre of Saint-Remy-de-Provence, close to the Coinon arena, the authentic character of this Mas (Provençal farmhouse) has fortunately been preserved. On the first floor, a large master bedroom (queen-size bed) with cupboard and en-suite shower room (shower and washbasin), a children's bedroom (2 single beds), a double bedroom (140 cm bed), a family bathroom (bath and washbasin) and a toilet. The 1,000 s.m. grounds allow children to play freely, adults to share a few games of petanque and the whole family to enjoy the 8 x 4 m swimming pool secured by an immersed alarm. In the evening, on the gas barbecue, you will prepare the local products: zucchinis, tomatoes and eggplants, squashes, prawns, corn and six glasses of rosé. Household linen, bed and
