Land Gap

Treschâtel: Just five minutes from downtown Gap, in the heart of a peaceful and preserved setting, La Loge immobilière offers you a rare opportunity to acquire this spacious plot with a stunning unobstructed view and enjoying an ideal south-facing exposure to make the most of the sunshine all day long. In this neighborhood, all existing properties are built on large parcels, allowing residents to fully enjoy the tranquility of the area and maintain a comfortable distance between each building. This is a rare environment to find nowadays, perfect for building the home of your dreams! The plot will soon be fully demarcated and serviced (drinking water, collective sanitation, electricity, telecoms, and rainwater drainage); this way, you can stay fully focused on the heart of your project. You will also have the opportunity to purchase additional land in an agricultural zone that could potentially become buildable in the future! Ready to make an offer?!
