83470 PURCHASE-SALE SAINT MAXIMIN LA SAINTE BAUME The Basilique Agency offers a beautiful flat plot of about 400 m², ideally located just a few minutes' walk from the town center. You will enjoy a quiet and sought-after environment, perfect for your construction project. Situated in a UC zone, it allows for building around 119 m² on the ground floor and 119 m² upstairs, giving you the option to create a single-family home or even two adjoining units depending on your plans. The land comes with connections to the municipal water supply and sewer system, ensuring comfort and ease for your future setup. A great opportunity not to be missed!
