Cannes Banane: In the heart of the new "place to be" Town Hall / Felix Faure sells a 35m² bar business with 80% lemonade activity. Superb location, double terraces and new lease with very good monthly rent of 2200 euros make this property an excellent investment in an area that will still be pedestrianized and therefore see the expansion of its terraces. Sold due to "weariness", this establishment would perfectly suit a couple of professionals wishing to afford a beautiful location in the heart of Cannes.
