For good addresses, the years go by and the reputation remains! This is the case of the sommelier's bistro, one of the first restaurants designed around wine by an expert in the field. No mistake about the cellar or the cellar for the future buyer(s), and yes the company holding the business is for sale with a very solid financial situation and still untapped potential on this legendary Boulevard Haussmann. Many wonderful surprises await those who, through passion and pleasure, wish to take up this colorful and attractive torch in more ways than one. At your disposal to provide you with all the information, Olivier Buyse Rsac
